Puffin' again  
So happy with his friends  
He can dance even in his car  
Straight guys should know  
Whatever is on his mind  
He's got a reason  
Always got a reason  
He's got a reason for every season  
Scared to be smart  
So far he's everything  
If you're laughing  
He is laughing too  
Just don't let him begin  
'Cos in the end he'll win  
He's got a reason  
Always got a reason  
He's got a reason yeah  
Hole in his head  
You always tried to never be lied to  
Now you understand  
He's not your friend  
High class, my ass  
You always tried to never be lied to  
Now you understand  
You have to seek someone else  
With another reason  
With another reason  
Tricky tricky trick  
Dreamin' again  
But he's not asleep  
His eyes are open starin' at you  
Reads your mind through his pipe  
And the he tells you that  
He's got a reason  
Always got a reason  
He's got a reason for every season  
Impressive you guess  
He couldn't show you less  
But still you're snowbored like the funky bros  
Life must go on  
And this is just a story  
I've got a reason

Always got a reason  
I've got a reason yeah  
Hole in his head  
You always tried to never be lied to  
Now you understand  
He's not your friend  
High class, my ass  
You always tried to never be lied to  
Now you understand  
You have to seek someone else  
What's wrong with someone overweight  
Big surprise  
He's coming after you  
With a reason  
Always with a reason  
With a reason  
Tricky tricky reason, my ass  
He's got a reason  
Always got a reason  
(Repeat 8x)  
Hole in his head  
You always tried to never be lied to  
Now you understand  
He's not your friend  
High class, my ass  
You always tried to never be lied to  
Now you understand  
You have to seek someone else
