Can't you see that he's a fake thing
Can't you see that he will break things
For a start he will break your heart
And after that he'll never pick up the parts

But I'm a guy with muscles, I'm a guy with brains
If you come to me you'll never feel pain
My everlasting charm won't cause you no harm

Can't you see that he's a big hype
Can't you see that he's not your type
Can't you see it in his blue eyes
Can't you see, can't you see he's so full of lies

But I'm a guy with muscles, I'm a guy with brains
If you come to me you'll never feel pain
My everlasting charm won't cause you no harm

I won't cause you no harm
I won't cause you no harm
I won't cause you no harm
One, two, three, six
