No matter what I feel for you  
Those three words I can't say  
I regret the times I used the word okay

I know how much it means  
When people show they really care  
Of the value in honesty, I'm quite aware  
But still there's much in me that I don't share

Don't have the guts to say what I think  
Well, I'm too scared  
Don't have the guts to say what I think  
Well, I'm too scared  
Don't have the guts to say what I think  
Well, I'm too scared to say what I think of you

The other way around  
I'd say, I function the same way  
The darker sides of me I underplay

Afraid to get into conflicts  
Afraid to tell you no  
Though I know this weakness keeps me low  
There's so much inside me that I don't show

Don't have the guts to say what I think  
Well, I'm too scared  
Don't have the guts to say what I think  
Well, I'm too scared  
Don't have the guts to say what I think  
Well, I'm too scared to say what I think of you

Somethings I can never show  
Why I don't know, no, I don't know

Don't have the guts to say what I think  
(Don't have the guts to say)  
Well, I'm too scared  
Don't have the guts to say what I think  
(Don't have the guts to say)  
Well, I'm too scared

Don't have the guts to say what I think  
(Don't have the guts to say)  
Well, I'm too scared to say what I think of you  
(Don't have the guts to say)  
Yeah, I'm too scared of what I'd really think of you
