(lyrics by operation ivy)

I know that things are getting tougher
When you can't get top off from the bottom of the
barrel
Wide open road of my future now...
It's looking fucking narrow

All I know is that I don't know nothing

We get told to decide
Just like as if I'm not gonna change my mind

All I know is that I don't know nothing
Whatcha gonna do with yourself
Boy better make up your mind
Whatcha gonna do with yourself boy
You're running out of time
This time I got it all figured out:

All I know is that I don't know nothing...
And that's fine.
