When I am lozin' must in a conversation  
It makes me use my imagination  
Start to think they're after me  
'Cause I'm as sore as those monkeys hope

The chat goes on and I feel smaller  
The guys in front of me, they get taller  
When, when I open my mouth again to tell them  
something more  
They answer me with a hockey score

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself

Well, I have this girl and I make her crazy  
When I'm gone, she's bored and lazy  
I get a kick from pushin' her  
But I'm not sure about how she feels about it

My favorite hockey team are strugglin'  
It makes my stomach bubblin' bad  
Their hard time really makes me sad  
We had some fucked up years  
Now it's time to wipe away those tears

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself

It's been a tough time for me this past year  
Lots of questions, who I am or what I wanna be  
I also found some answers, the fog is gone  
I feel better every day and now the feeling is here to

stay

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself

Must be strong, can't be wrong  
You'll be lozin' must  
Yeah, you'll be lozin' trust in yourself
