So what if  
I don't understand  
I'll always be  
An equal man to myself

I don't know who he is  
I don't know what he thinks  
But he gives me a signs  
Oh, I wanna read all the unknown lines

There's a man  
Outside my window  
He's no control  
He's no control

When I travel deep  
It's like a mystic sleep  
I got my feet on the ground  
I'm on road to the unknown land

There's a man outside my window  
He's no control, he's no control  
There's a man outside my window  
He's no control, he's no control

Now it's time  
To get concrete  
Feel the inside  
Of me deep

When he calls me  
I won't open up the door  
Oh, will I have the chance  
To rule my life like before

There's a man  
Outside my window  
He's no control  
He's no control

There's a man  
Outside my window

He's no control  
He's no control

He's no control  
He's no control
