I thought the hard times were well over now
Brighter days would come and stay
I guess I'm just not that lucky somehow
'Cause you are standing in my way

No matter how well I do
I know I'll never be good enough for you

You want to watch me breakdown
Yeah, you want to watch me go insane
You want to watch me breakdown
Why I'm a fool and I remain the same?

Yeah, my name is Golden, but you call me Bill
Your heart will never let me in
I know you curse, but smile inside when I fail
Jealousy is kept within

No matter how good I play
You only focus on the blunders I say

You want to watch me breakdown
You want to watch me go insane
Yeah, you want to watch me breakdown
Why I'm a fool and I remain the same?

Yeah, I remain the same
You hate me 'cause I'm strange
But I remain the same
And I will not change

I thought the hard times were well over now
Brighter days would come and stay
I guess I'm just not that lucky somehow
'Cause you are standing in my way

You're standing in my way
You're standing in my way
You're standing in my way
You're standing in my way

You want to watch me breakdown

Yeah, you want to watch me go insane
You want to watch me breakdown
Why I'm a fool and I remain the same?

You want to watch me breakdown
You want to watch me breakdown
You want to watch me breakdown
Yeah, you want to watch me breakdown
