His name is Tony  
As young he was uncool  
But he always laughed at all the tough guys who ruled  
the school  
But he's a phony  
And I will tell you why  
Because his biggest wish to be the hard-knocks a lie

Phony Tony's in disguise  
What he wants to be he will despise  
And he currently takes the prize  
But Phony Tony's no surprise

Yeah little Tony grew up and finished school  
And what he meant to his that he is no longer a fool

Phony Tony's in disguise  
What he used to be he now despise  
And he currently takes the prize  
But Phony Tony's no surprise

Now he's a big man  
And he's far away from school  
Now he's the one who's bullying others calling them  
fools

He's no longer a fool  
He's far away from school  
Tony went cool

Phony Tony's in disguise  
Phony Tony's no surprise  
Phony Tony takes the prize  
But phony Tony will capsize
