Strike, strike, strike, strike  
Strike, strike, strike, strike

You strike, get pissed that is just the way it is  
Use your nose to the Millencolin funk sound  
We are just a couple of bogus bowlers hangin' out  
Tonight leavin' all the girls behind  
The funk Millencolin sound

So what's a girl compared to a perfect game  
I guess a lot if you find the right one  
If I had to choose between a bowl and you  
I'm not tellin' you, you're taking it the wrong way

I love the feeling that I get when I strike  
That's the only time I feel alive  
Don't need you baby, just need to strike  
I love the feeling that I get when I strike

You are in trance when you slick into the area  
You pass the sa, taking off your Puma  
The way we bowl is cleaner then the other styles  
It's pro but say we're doin' it the wrong way  
We're doin' it the wrong way

So I guess you must be crazy to be bowlin'  
Like we do it's cool, we're doin' it the wrong way  
No fools, no girls, just the rude boys from the South  
Kickin' it, slickin' it, trickin' it again

I love the feeling that I get when I strike  
That's the only time I feel alive  
Don't need you baby, just need to strike  
I love the feeling that I get when I strike

Yes, that's right, bowlin' is alright  
The only time I feel alive is when I'm hangin' at the  
house  
That's right, pass me those shoes  
I'm ready for the perfect game so watch me shoot

If you get upset and you don't understand

It's quite alright just follow your instincts  
Physical activity is the way to free your mind  
So get on your feet and bowl to the funky beat

Bowl to the funky beat  
Bowl to the funky  
Bowl to the funky, bowl to the funky beats
