Take a piece of paper
Make a heart and send it out to you
And I sure wanna cut a paper
I wanna scream and shout, so don't cut me out, out

'Cause Vixen, baby, you're alright
You are the sweetest girl that I have met, met
Don't play hard to get
N plus L is true you know that I love you
You know that I love you

It's not over, baby, it's not the ending
Vixen, I think my heart is mending
It's not over, we're just getting higher
In this super painful game called love

Our relationship is changing
You moved away and I am stuck
On you and in my empty room
But anyhow I wish you luck, luck, luck, yeah

You're a fox and I'm a schmuck
And I can't, can't make a chant about anything but you
You know, you know I can't
You know I can't

It's not over, baby, it's not ending
Vixen, I think my heart is mending
It's not over, we're just getting higher
In this super painful game called love

Call you up close to 5 am, woke you up again around 7
And all I wanted you to know, is that I miss you bad
Yeah, I miss you bad
Yeah, I miss you bad, yeah

Take a piece of paper
Make a heart and send it out to you
And I sure wanna cut a paper
I wanna scream and shout, so don't cut me out

It's not over, baby, it's not ending

And Vixen, I think my heart is mending
It's not over, we're just getting higher
In this super painful game called love
