Delighted and laughed upon  
The critics had their fun  
But he don't mind  
And will look different when he's done

A too controversial lie  
And all the kids do understand  
What he's about in this moderated land

But who's laughing now  
And who's looking blank?  
Yeah, who's laughing now  
All the way to the bank?

Who's laughing now  
And who went up in rank?  
Yeah, who's laughing now  
All the way to the bank, yeah?

Too old, too blind to see  
The magic in this man  
The jealous kind  
Will never be a fan

And he never doubted  
In himself for what he can  
For good and worse  
He always stuck to his own plan

Who's laughing now  
And who's looking blank?  
Yeah, who's laughing now  
All the way to the bank?

Who's laughing now  
And who went up in rank?  
Yeah, who's laughing now  
All the way to the bank?

He's always been against the grain  
I give him credit for staying sane  
It takes a lot to go that route

He fought his own way out

Fine inspiration and a cure  
For anyone who's been ignored  
Only for them he'll take a bow

But who's laughing now  
And who's looking blank?  
Yeah, who's laughing now  
All the way to the bank?

Who's laughing now  
And who went up in rank?  
Yeah, who's laughing now  
All the way to the bank?

Oh yeah, look who's laughing now  
Look who's laughing now, yeah  
Oh yeah, look who's laughing now  
Look who's laughing now
