Regulators

We regulate any stealing of his property  
And we're damn good too  
But you can't be any geek off the street  
Gotta be handy with the steel if you know what I mean,  
earn your keep  
REGULATORSMOUNT UP

It was a clear black night, a clear white moon  
Warren G was on the streets, trying to consume  
Some skirts for the eve, so I can get some funk  
Just rollin in my ride, chillin all alone

Just hit the Eastside of the LBC  
On a mission trying to find Mr. Warren G  
Seen a car full of girls ain't no need to tweak  
All you skirts know what's up with 213

So I hooks a left on the 21 and Lewis  
Some brothas shootin dice so I said "Let's do this"  
I jumped out the ride, and said "What's up?"  
Some brothas pulled some gats so I said "I'm stuck."

Since these girls peepin me I'ma glide and swerve  
These hookers lookin so hard they straight hit the curb  
Won'tcha think of better things than some horny tricks  
I see my homey had some suckas all in his mix

I'm gettin jacked, I'm breakin myself  
I can't believe they taking Warren's wealth  
They took my rings, they took my rolex  
I looked at the brotha said "Damn, what's next?"

They got my homey hemmed up and they all around  
Ain't none of them seeing if they going straight pound  
for pound  
I gotta come up real quick before they start to clown  
I best pull out my strap and lay them busters down

They got guns to my head  
I think I'm going down  
I can't believe this happenin in my own town

If I had wings I would fly  
Let me contemplate  
I glanced in the cut and I see my homey Nate

Sixteen in the clip and one in the hole  
Nate Dogg is about to make some bodies turn cold  
Now they droppin and yellin  
It's a tad bit late  
Nate Dogg and Warren G had to regulate

I laid all them busters down  
I let my gat explode  
Now I'm switching my mind back into freak mode  
If you want skirts sit back and observe  
I just left a gang of those over there on the curb

Now Nate got the freaks  
And that's a known fact  
Before I got jacked I was on the same track  
Back up back up cause it's on  
N A T E and me  
The Warren to the G

Just like I thought  
They were in the same spot  
In need of some desperate help  
The Nate Dogg and the G-child  
Were in need of something else  
One of them dames was sexy as hell  
I said "ooo I like your size."  
She said "my car's broke down and you seem real nice  
Would ya let me ride?"  
I got a car full of girls and it's going real swell  
The next stop is the Eastside Motel

I'm tweaking  
Into a whole new era  
G-Funk  
Step to this  
I dare ya  
Funk  
On a whole new level  
The rhythm is the bass and the bass is the treble

Chords  
Strings  
We brings  
Melody  
G-Funk  
Where rhythm is life  
And life is rhythm

If you know like I know  
You don't wanna step to this  
It's the G-Funk era  
Funked out with a gangsta twist  
If you smoke like I smoke  
Then you high like everyday  
And if your ass is a buster  
213 Will regulate
