Duct tape tightly binds
Bitter cold constraints
Forever the end prolongs
My ultra dark awaits
Life
lingers on
Drinking in your tears
Death
Beg for it
Everything draws near
Nothing consumes like my rage
Those who share my dark embrace
You are having a loss of faith
Now it's time to take my place
And it's a violation
Of the worst kind
And it's a penetration
I will make you mine
Cry out it gets me off
Extinguish life inside
Grace with shimmering hate
Once again unified
Life
lingers on
Drinking in your tears
Death
Beg for it
Everything draws near
Nothing consumes like my rage
Those who share my dark embrace
You are having a loss of faith
Now it's time to take my place
And it's a violation
Of the worst kind
And it's a penetration
I will make you mine
You are my bitch
I pull the strings
You have the itch
I control things
You are my bitch
I pull the strings

You have the itch
I control things
