

# Wasteful Consumption Patterns

## "Every Single Time"

Visit "[Every Single Time](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Every single time  
Each and every day  
I try to get close to you  
but something pushes me away  
Is it from what I know of this  
Or where I've been in the past  
Mankind has always proven to me  
That nothing will ever last  
Make me sick with your lies  
Nothing new in your eyes  
Tell me that you need me  
It's a part of your deceit  
That's why I could never love you  
I could never learn to trust you  
That's why I could never have you  
I cannot pretend to want you  
Every single time  
Each and every day  
I think about holding you  
but something pulls you away  
Give me something to hold  
Like a blanket in the cold  
Naked walls converge this place  
Sweat and tears are all I taste  
I don't mind if you stay  
These feelings won't wash away  
Until this hunger is fed  
All is done and said  
Your sweet pain draws me near  
Tell me all the things that I want to hear  
Bloody kisses give good luck  
Thigh highs, brown eyes, schoolgirl buttfuck  
Make me sick with your lies  
Nothing new in your eyes  
Tell me that you need me  
It's a part of your deceit  
Make me sick with your lies  
Nothing new in your eyes  
Tell me that you need me  
It's a part of your deceit  
Make me sick with your lies  
Nothing new in your eyes

Tell me that you need me  
It's a part of your deceit  
Make me sick with your lies  
Nothing new in your eyes  
Tell me that you need me  
It's a part of your deceit
