It pains me to hear your voice  
And now you know you have no choice  
No one can fill my place  
Twisting, turning in disgrace  
And now I am all you feel  
Tell me if this is real  
Ten thousands screaming souls  
Could never ever fill this hole  
Take a look around you and tell me what you see  
Dark deception, withered mind this is what you want  
from me  
Scratching, screaming, beating, whipping blistered  
back  
I am yours forever no you can't take it back  
I am yours forever no you can't take it back  
I am yours forever no you can't take it back  
Something beautiful and extremely rare  
Obviously nobody else could compare  
No one could ever fill my place  
Suck it all down as I shove it in your face  
I am yours forever no you can't take it back  
I am yours forever no you can't take it back  
I am yours forever no you can't take it back  
I am yours forever no you can't take that back
