Shifted the minds of youth as elders seek the black.
Falling, falling fast, hot walls they burn the flesh.
Callow are the sheep that seek the shepherd's flock
and hallow are the meek that believe the liar's book.
A messenger amongst all of you, deliverer of death.
The giver of your fucking life is now the taker of your
breath.
Betrayer misleader there's a liar within, forever and
never he will lead you to yourself.
The kingdoms are in ruin, they prophet from your
being.
Taken by the heaven's and thrown to the dogs.
So now we bring to you, nihilistic offerings.
Strangled with your rosaries until you are all dead.
So will you follow or will you flee, believe in taking
souls?
So will you follow, heed to the words or will you stand
alone?
Tare the pages from you black book of lies.
Destroying creations that were set forth by man,
burning all the churches while their laughing out loud.
Cursing and blasphemy it flows from their old tongues,
deceiving with your black lies and deceiving all the
young.
The kingdoms are in ruin, they prophet from your
being.
Taken by the heaven's and thrown to the dogs.
So now we bring to you, nihilistic offerings.
Strangled with your rosaries until you are all dead.
So will you follow or will you flee, believe in taking
souls?
So will you follow, heed to the words or will you stand
alone?
Your search for the stolen hope leaves blood upon your
hands,
Beneath your feet is shattered glass and blood upon
the sands.
A dark embrace from the one it feared a man with no
meaning was crowned.
A lifeless taste of murdered pleas and nothing holy
was found.
Deliver evil and lust will follow, a universe screams

from inside.

Meet a maker and follow a fool then look for a place to
hide.

A God sent son, throne of lies. You lie yourself, throne
of lies.

A God sent son, throne of lies. You lie yourself, throne
of lies.
