Can you see me? I can see you  
Don't you know me? wanna know you  
Could be something, maybe nothing  
Show me what you got it's up to you

Can't hear just what I say  
Doesn't matter anyway  
Can you see me? I can see you  
Don't you know me? wanna know you

Get on the dancefloor baby  
I wanna see your body touch the floor  
Pick it up, shake it, spin it around  
Shake it till you can't... take, take no more.

Please forgive me, never told you  
I'm the music that you dance to you  
Can't hear just what you say  
Doesn't matter anyway  
Now you see me, like I see you  
Don't you want me, like I want you

Get on the dancefloor baby  
I wanna see your body touch the floor  
Pick it up, shake it, spin it around  
Shake it till you can't... take, take no more.

Get on the dancefloor baby  
I wanna see your body touch the floor  
Pick it up, shake it, spin it around  
Shake it till you can't... take, take no more.

(I'll decipher every single signal  
I'll decipher, girl I will decipher)  
I SING IT OUT SO CLEAR  
(I'll decipher every single signal  
I'll decipher, girl I will decipher)  
FOR ONLY YOU TO HEAR

Could be dancing, now you're standing  
Thinking how I could've planned this  
Hear the beat drop, feel your heart stop

Again and again...

Get on the dancefloor baby  
I wanna see your body touch the floor  
Pick it up, shake it, spin it around  
Shake it till you can't... take, take no more.

Get on the dancefloor baby  
I wanna see your body touch the floor  
Pick it up, shake it, spin it around  
Shake it till you can't... take, take no more.
