Visit "[Motherless Child](#)" on MotoLyrics.com

Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
and I'm alone, and I'm alone away from my home

Sometimes I feel like if im almost gone
Sometimes I feel like if im almost gone
Sometimes I feel like if im almost gone
and I'm alone and I'm la la la la la la alone and I'm
alone
away from my home, from my home

Sometimes I feel like there's nobody there
Sometimes I feel like there's no no no nobody there
Sometimes I feel like there's nobody there
and I'm alone and I'm la la la la la la alone and I'm real
lonely
from my home x 8
