Please don't apologize, just let me wipe the tears away  
Don't mean to act surprised, if it's alright I'd like to stay

CHORUS

I know that you are not a child  
But there's one thing I love about you, your style  
Cry, please don't cry  
Cry, please don't cry

I know you're just sixteen, but looking all of twenty-one  
Daddy would go to jail for you  
If he thought you were having the wrong sort of fun

CHORUS

The moment that you've gone, you know that they will  
talk  
But they're wrong, and it makes me happy  
Even when you've gone, I know I'll carry on 'cos I'm  
strong  
And it makes me happy

CHORUS

(Sax solo)

Cry, please don't cry  
Cry, please don't cry  
Cry, please don't cry  
Cry, please don't cry

FADE

Cry, please don't cry
