Whether it's rock and roll or old soul
Disco, calypso
Suit and tie or tie-dye
Snakeskins or Timberlands
Tight fade or long braid
Red head or brunette
Breakdance, slamdance
Do the jerk until it hurts
I'm telling you

Chorus:
Ain't nothing wrong with that
(I'm telling you)
Ain't nothing wrong with that
(I'm telling you)
Ain't nothing wrong with that
(I'm telling you)

East coast or West coast
Down South or up North
Hollywood or in the hood
Either way it's all good
Block party, frat party
Backyard or boulevard
Red, yellow, black or white
We all gettin' down tonight
I'm telling you

Shake it. Shake it. Shake it

I don't know but I've been told
When the music gets down in your soul
It makes you want to lose control
And there

Ain't nothing wrong with that
