Honey, your love is gone  
I know your love is gone  
It's a desperate situation  
Now I'm all alone, honey, I'm all alone  
It's a desperate situation

I'm without happiness, without tenderness  
Without the love we used to share  
I spend eternity reliving memories  
Cause the truth is just too much to bear

Now that you don't love me  
You love someone new  
Death could be no worse than what I've been going  
through  
Girl, this life of mine is just a waste of time  
It's a desperate situation

Oh, it's a lonely world without your loving girl,  
It's a desperate situation

I'm a dreamer now, just a dreamer now  
Cause it hurts so much when I awake  
But in dreams of you, girl there's no one new  
I'm still the only man you take

Night after night I lay staring at the ceiling  
Wondering where you are, who you're with and what  
you're feeling  
Oh, I've been forgotten Lord knows I can't forget  
It's a desperate situation

Oh, this foolish heart of mine still loves you, yeah  
It's a desperate situation  
Oh, come back, baby  
Come save me, baby

Night after night I lay staring at the ceiling  
Wondering where you are, who you're with and what  
you're feeling  
Oh, I've been forgotten Lord knows I can't forget

It's a desperate situation

Oh, this foolish heart of mine still loves you, yeah  
It's a desperate situation

Honey, your love is gone  
I know your love is gone  
It's a desperate situation
