Don't you know it
Can't you see
Now what did I do
That you're a part of me

I lied to myself
So did you
Like no one else
Could ever do

Hey baby you and I know
Just what we should do
That's why I'm trying to get back to you

There's a time for us
Not too far
With no price on trust
Lately that's all I need

Hey baby don't say goodbye
Cause I can't stand it
I don't wanna cry
That ain't the way we planned it

Now let's have some fun
Forget the danger
You know time's on the run
Let's just stop being strangers

Hey baby you and I know
Just what we should do
That's why I'm trying to get back to you

There's a time for us
Not too far
With no price on trust
Lately that's all I need

There's a time for us
I know it's hard, oh yeah
But I'm sure gonna find

Some time for us now
And I don't know the reason why
I don't know why

There's a time for us
Not too far
Hey baby
With no price on trust
Lately that's all I need

There's a time for us
I know it's hard, oh yeah
But baby
There's a time for us
