I swore the last time that you let me down
That I wouldn't see you if you came around
I can't tell my heart what's right or wrong
And I've been so lonesome ever since you've been
gone

You've got me under your spell again
Sayin' those things again
Makin' me believe that you're just mine
Dreamin' those dreams again
Schemin' those schemes again
I've gotta take you back just one more time

Everybody tells me that I'm a fool
That I never should have put my faith in you
Way down deep inside I guess, I know it's true
No one else can make me feel the way you do

You've got me under your spell again
Sayin' those things again
Makin' me believe that you're still mine
Dreamin' those dreams again
Schemin' those schemes again
I've gotta take you back just one more time
I've gotta take you back just one more time
I've gotta take you back just one more time
