My name is Jerry Lee Lewis, come from Louisiana  
I'm gonna do you a little boogie on this here piano  
Doing mighty fine, I'm gonna make you shake it  
I'll make you do it, and make you do it, until you break  
it  
It's called the Lewis boogie, in the Lewis way  
Lord, I do my little boogie woogie every day

Well, down in New Orleans, the land of dreams  
The best doggone place, son, you have ever seen  
The cats go wild, do a boogie that's hot  
My boogie woogie makes you want to stop and do the  
bop  
It's called the Lewis boogie, in the Lewis way  
Lord, I do my little boogie woogie every day

Well, now let's cruise on down to old Memphis town  
That's where that Presley boy said you ain't nothing but  
a hound  
But now you take my boogie, it keeps you in the groove  
Then your sacroiliac begins to shiver and a move  
It's called the Lewis boogie, in the Lewis way  
Lord, I do my little boogie woogie every day

Oh, boogie woogie  
When your hips start rockin'  
And your knees start knockin'  
Lewis boogie, Lewis way  
Lord, I do my little boogie woogie every day
