What good does it do,
To worry 'bout the past?
I know I can't undo,
The wrong I've done.

But please, baby, please,
I'm beggin' on my knees,
Please take me back,
And give me one more chance.

[Chorus:]
No, no, no,
No, no, no, no, no.

It's just a little bit too late.
(No no)
A little bit too late, now.
(Oh no)
It's just a little bit too late.
[End chorus]

[Refrain]
Oh girl, can't you see?
There's been a change in me.
My eyes were closed,
But now I see the light.

This lone loneliness,
Is tearin' me apart.
I did you wrong,
But now I'll make it right.
[End Refrain]
