You think you're smart, you're not
It's plain to see that you want me to fall off
It's killing me, let's see you've got the gall
Come take it all

The jury is coming
Coming to tear me apart
All this bitching and moaning
Come on it's on

I'm trapped in this world lonely and fading
Heartbroke and waiting for you to come
We are stuck in this world that's not meant for me
For me

So what you got one more try
It seems to me that you're not needed
Come on, it's killing me let's see
You got the gall, come take it all

The jury is coming
Coming to tear me apart
All this bitching and moaning
Come on it's on

I'm trapped in this world lonely and fading
Heartbroke and waiting for you to come
We are stuck in this world that's not meant for me
For me

I'm trapped in this world lonely and fading
Heartbroke and waiting for you to come
We are stuck in this world that's not meant for me
For me

I'm trapped in this world lonely and fading
Heartbroke and waiting for you to come
We are stuck in this world that's not meant for me

For me
For me
