Lady

I'm your knight and shining armor, and I love you

You have made me what I am, and I'm yours

My love

There's so many ways I want to say I love you

Let me hold you in my arms forever more

You have gone, and made me such a fool

I'm so lost in your love

And oh, we belong together

But won't you believe in my song

(In my song)

Lady

For so many years I thought I'd never find you

You have come into my life, and made me whole

Forever

Let me wait to see you each and every morning

Let me hear you whisper something in my ear

In my eyes, I see no one else but you

There's no other love like my love

And yes

I'll always want you near me

I've waited for you for so long

(For so long)

Lady

Your love's the only love I need

And beside me

Is where I want you to be

(Want you to be)

Cause My Love

(My love)

There's something I want you to know

(Want you to know)

You're the love of my life

You're my Lady

Lady

Your love's the only love I need

And beside me

Is where I want you to be...
