It's Chaotic Madness!

We're in a Chaotic Madness
It's all about this so fuck the rest
No need to breathe, no need to watch
Cause all you need is to fuck up this place
Something better for you to do
If you think no then start to move
And if your still standing right there
Then shut the fuck up you're just a queer

Yeah shut the fuck up you're just a queer

Feeling pain and nothing else
Ain't it kind of weird to feel this
When you look at all this mess
It's a damn good reason to be impressed
You may be drunk, you may be clean
High on drugs or something never seen
We just don't give a shit
As long as you thrash and never quit

As long as you thrash and never quit

CHAOTIC MADNESS
CHAOTIC MADNESS

Now killing this place on your own
Watching some other people die
You may think that you were alone
But you suddenly realise

We're in a Chaotic Madness
It's all about this so fuck the rest
No need to breathe, no need to watch
Cause all you need is to fuck up this place
You may be drunk, you may be clean
High on drugs or something never seen
We just don't give a shit
As long as you thrash and never quit

As long as you thrash and never quit

CHAOTIC MADNESS
