Fucking it so tight
Feeling that it's right
Non-sense compromise
Won't you realize

You cannot realize
You've been fucked until now

Your life is a shame
You're the one to blame
Your life you have failed
Now get back there and motherfuckin' die

DIE

You can try me if you dare
But don't do it if you care
About yourself or someone else
You're a bitch, you're a slut
Say you're good but you are not

Won't you ever repay
Won't you ever regain

Going to the sky
Oh, fuck you it's a lie
Soon you will be dead
From a life you've never led

You can try me if you dare
But don't do it if you care
About yourself or someone else
You're a bitch, you're a slut
Say you're good but you are not

Won't you ever repay
Won't you ever regain

DIE

Now
You are mine

I'm allowed
Through your mind

Now
You are mine
I'm allowed
Through your mind

Now it is done
Yes you are gone
Something so real
But you cannot take it

Now it is done
Yes you are gone
Something so real
But you cannot
Take all this shit
