Forget about your ABC
go do something on TV ,
all you really, really have to be
is a personality
a swing at movies and maybe kching, kching
write a book when you are has been,
clothing line
if that don't satisfy?
you can always sing

sometimes,
it's mis and hit
right place @ wrong time
you're a face that doesn't fit

sometimes
people smash you to bits
u're using the same line
but you're a face that doesn't fit

her need to be seen
lousiest thing, I've ever seen,
if something, it was corrupted and low
all that show
Born 'n raised only for someone's joy,
always was a bit of a tom-boy
good for nothing
good for everything
good for something
