I can never
can't get enough
I'm so insatiable

I can never
can't get enough

don't push me
don't push
don't push me

a lust unmatched,
an empty bed,
an itch to be scratched,
let's go she said,
body parts flicking,
books and knives,
gimme something ,
I can feel

don't push me
don't push
don't push me
don't push, don't

don't push me, , don't drag me into to your mind
games
don't need your attention, don't make me your mission

like lost souls
everywhere
in strange places
getting it on
it's gonna hurt ,
rely on me
a decent scratch
can be sore

don't push me, don't dare me now
this is so ordinary
