Drop it down, raise it up
Side to side, left to right
Lick your lips, flip your hair
Watch him sweat over there
High heels, make-up, fake eyelashes
Look at you, you're so damn plastic!
Acrylics on with orangey skin
That lipo really made you thin

Tease it, spray it, make it big
Your hair's so big it's like a wig
Your skirt is short, your top is low
Speed it up, it's way too slow!
You like it when I rock my hips,
So why you starin' at my tits?
So go to him and make him work
For what he's got and how you twirk

Look over here!
And let me see that body rock
Get over here!
I know you like what I've got
Look over here!
And let me see that body rock
Get over here!
I'll show you what I've got
Okay!

Cigarettes, 80 proof
Take my picture, I'm so damn cute!
Fake ID's, lots of cash
Race that Benz, we go real fast
2 a.m. and I'm still goin'
Pour my drink, it's overflowin'!
Take me home, rough me up
No one's here so lets just fuck!

Let me see you break it down
On the floor, to the ground
He's so hot with all those tats
Especially in that LA hat

Diamond plugs, septum rings
I Like Money! Bling, bling, bling!
Here's my number, hit me up
We're livin' life!
You know what's up

Look over here!
And let me see that body rock
Get over here!
I know you like what I've got

Millionaires are here to stay
Watch your boys, we're here to play

Millionaires are here to stay
Watch your boys, we're here to play
Look over here!
And let me see that body rock
Get over here!
I know you like what I've got
Look over here!
And let me see that body rock
Get over here!
I'll show you what I've got
