(D) I see you over there,
(M) there!
(D) Giving me the stare,
(M) stare!
(D) I'm playing with my hair
(D) As if I just don't even care

(A) I like the way you look tonight
(A) and I think I just might
(M) Let you take a little bite
(M) Cause I think you're out of sight.

(Chorus)
(M) I want you in my bed,
(A) Bed!
(M) I want you in my bed
(D) You heard what I said, boy
(A) I want you in my bed

(A) I know you must be shy,
(D) Shy
(A) Because I'm just so hot,
(D) Hot!
(A) But if you would just try
(A) I know you'll hit the spot

(M) So you must be the kind
(M) Who does this all the time.
(D) But I have to let you know
(D) that's not how I tend to roll

(Chorus)

(M) You seem like you're a special guy
(M) I want to make you mine,
(A) Mine!
(M) So come on take my hand
(M) I want you to be my man

(Chorus)

(D) I'm really not this blunt
(D) But I know you want my junk
(A) I'm just trying to keep it real
(A) And tell you how I really feel

(Chorus)
