### "Love Is A Sickness"

Let us shake hands forever, cancel all of our vows  
since there's no help come let us, make up, kiss and  
part

Sorrow is fair  
& passion wise  
tears are delightful  
in your eyes  
Love is a sickness  
& life of man  
cursed from the cradle  
less then a span

Nay, I have done, you get no more of me  
the time sped by and I shall be released

we were always together, no space in between  
let us part ways and never, continue the dream

there is no more together,, time to untie the knot  
put a stop to the dwelling, hours, days and years
