Money, diamonds, gold and ice  
You talk shit, you'll pay the price  
Shut up cunt! I'll cut your tongue  
Back down bitch you're fucking done

Talk shit to us you fucking haters  
You're the ones who fucking made us  
So shut your mouth or I'll cut your tongue  
Back down bitch you're fuckin done

Back done bitch you're fucking done

You think this shit just comes easy?  
Lets see you try you fucking breezy  
Lets see your band make number one  
Back down bitch you're fucking done

This is to your mom and dads  
You hate our shit  
What a drag  
'Cause I'm the one who fucks your son  
Back down bitch you're fucking done

Money, diamonds, gold and ice  
You talk shit, you'll pay the price  
Shut up cunt! I'll cut your tongue  
Back down bitch you're fucking done

Talk shit to us you fucking haters  
You're the ones who fucking made us  
So shut your mouth or I'll cut your tongue  
Back down bitch you're fucking done

Trying to suck our teet? You're lame!  
You just want us for the fame  
We barely met you're just a no one  
Back down bitch you're fucking done

You hate us and our stupid lyrics  
But deep down you love to hear it  
We're living life and having fun so

Back down bitch you're fucking done!

Back down bitch you're fucking done
