"Wake Up The Children"

Wake up wake up
wake up the children
all for the noble cause

just, just because
they don't know better
doesn't mean you have to feed them shit

wake up wake up
wake up the peoples
all for a selfish reason

just, just because
they don't know better
doesn't mean you have to live with it

shake it off, shake it off
tell em to shake it off
brake it off, brake it off
a feeling that is fruitless for them

chin up, chin up
chin up, be happy now
nothing's ever worth not fighting for

just just because
you've got the knowledge
doesn't mean you don't have to share it

wake up, wake up
wake up the feeble
do everything to make them see

just , just because
they don't know better
doesn't mean it isn't your duty

dust
we're all dust
ooooooh you're dancing baby, now
dance around in the dirt

the feeling is mutual
and forever ours
