I woke up late, my sauce didn't drown  
I need me a drink but it's a thirty-minute drive into town  
Got good neighbours, playing that song  
I'm doing the housework but cleaning up nothing wrong

It's hotter than hell in a nuclear sky  
I need me a drink but I don't need a DUI  
The back of my throat is lacking iced tea  
I need me some liquor, some vodka, and Ocean Spray

It's hotter than hell, a nuclear sky  
I need me a drink but I don't need a DUI

Got hot tub blues  
I got red hot shoes  
I got need for some fun  
Beer and guns

I got hot tub blues  
I got red hot shoes  
I got need for some fun  
Beer and guns

Jump in my truck, head for Wal-mart  
To get me a gun, something to eat with jalopenos on  
I got me a job but I don't like the work  
I can't get laid, but some fooling around couldn't really hurt

Palm Springs or maybe Wigwam  
I sit in a hot tub, get me some happy on  
Stopped by a cop and asked for I'd  
He said stick to the letter, I said bitch I can't hardly read

Got hot tub blues  
I got red hot shoes  
I got need for some fun  
I got beer and guns

I got hot tub blues  
I got red hot shoes

I got need for some fun  
I got beer and guns

(She's got hot tub blues  
Red hot shoes  
Need for some fun  
Beer and guns

She's got hot tub blues  
Red hot shoes  
Need for some fun  
Beer and guns)

Ma'am, I'm gonna need to see some ID. Ma'am, I'm  
gonna need you to step out of the vehicle. Ma'am, I  
need you to put the bottle down. Ma'am? Ma'am?  
Ma'am, I'm gonna need to -

Hotter than hell in a nuclear sky  
I need me a drink but I don't need a DUI  
It's hotter than hell in a nuclear sky  
I need me a drink but I don't need a DUI

I got hot tub blues  
I got red hot shoes  
I got need for some fun  
Beer and guns

I got hot tub blues  
I got red hot shoes  
I got need for some fun  
I got beer and guns

(She's got hot tub blues  
Red hot shoes  
Need for some fun  
Beer and guns

She's got hot tub blues  
Red hot shoes  
Need for some fun  
Beer and guns)
