Oh I've been watching you for so long
Don't wanna git you on the telephone
Just wanna gitcha, gitcha to my home
So I can gitcha, gitcha all alone

You better believe it
There's so much shit on the radio
I close my eyes to the music
Right now none of it turns me on
Kylie Minogue won't take my calls
I need to sell a few more records
My friend Matt just wrote the hook
He'll be here in a few more seconds, yeah yeah

Oh I've been watching you for so long
Don't wanna git you on the telephone
Just wanna gitcha, gitcha to my home
So I can gitcha, gitcha all alone

You better believe it
There's so much sex on my MTV
I can shake my ass to the music
But there ain't no videos on
Nobody climax and they're faking
I need to channel this frustration
All this tease and no release
But I'm glued to the station, yeah yeah

Oh I've been watching you for so long
Don't wanna git you on the telephone
Just wanna gitcha, gitcha to my home
So I can gitcha, gitcha all alone

Okay! Everyone listen!
I need complete uninterrupted attention
Lately I've learned a few hard lessons
Right now I could use some kissing
Here we go...
Umm, you know that I been waiting so long

Oh I been watching you for so long
Don't wanna git you on the telephone

Just wanna gitcha, gitcha to my home
So I can gitcha, gitcha all alone
