Let me in from the rain, don't you let me go again.
Let the water run down my face.

So they say, so they say.
I'm gonna take this, I'm gonna take this to the top, I'll
kiss the air
Don't waste your breathe and just stay away.

Well ok, I guess nothing good has happened yet,
Well I pray, that I'll be alright.

Let me in from the rain, don't you let me go again.
Let the water run down my face.

You are so cold, [Well I'm so alone].
You are so cold, [Just let me in].

You are so cold, [Well I'm so alone].
You are so cold, [Just let me in].

Well ok, I guess nothing good has happened yet,
Well I pray, that I'll be alright.

...

You are so cold, [Well I'm so alone].
You are so cold, [Just let me in].

You are so cold, [Well I'm so alone].
You are so cold, [Just let me in].

[Well just let me go].
[Well just let me go].
[Just let me go].
[Just let me go].
[Just let me go].

So they say, so they say.
I'm gonna take this, [Well just let me go] I'm gonna
take this to the top, I'll kiss the air
Don't waste your breathe and just stay away.
