This time you crossed the line  
Leaving me in the dark  
But I will light the way without you

This time I realise  
You could've had my heart  
But I'm not going down without you

You were putting on a show, putting on a show  
So I'd rather be alone, rather be alone

Take another step and I'll lose it  
Sick of hearing all your excuses  
Breaking down your walls, breaking down your walls  
I'm not waiting for your call, waiting for your call  
Say another word and I'll lose it  
Everything you do is so useless  
Before I have to go, before I have to go  
I just wanted you to know, wanted you to know  
You're on your own

This time I'll let it slide  
Not gonna fall apart  
I'm alright, just wait until I get you

I lied when I said that everything was alright  
Don't drag this out for another night  
Well I should've known that you would move on and on  
and on without me

Take another step and I'll lose it  
Sick of hearing all your excuses  
Breaking down your walls, breaking down your walls  
I'm not waiting for your call, waiting for your call  
Say another word and I'll lose it  
Everything you do is so useless  
Before I have to go, before I have to go  
I just wanted you to know, wanted you to know  
You're on your own

Had me blind until the end

Then I saw right through it  
A dose of your own medicine  
So read my lips

You're on your own x7

Take another step and I'll lose it  
Sick of hearing all your excuses  
Breaking down your walls, breaking down your walls  
I'm not waiting for your call, waiting for your call  
Say another word and I'll lose it  
Everything you do is so useless  
Before I have to go, before I have to go  
I just wanted you to know, wanted you to know

You're on your own
