Oh,
This is terrifying,
I'm counting down the days
Til I end up in the ground.

Oh,
This is terrifying,
I'll keep a close eye on my time,
I beg you not to end this yet.
But there must be something
After this.
There must be something.

Well I've forgotten what it feels like
To know you got it all to come.
So lets pretend,
So lets pretend.
That were young again.

Oh,
This is terrifying,
I'm scared to wake up one day
Nothing left to do.

Oh,
This is terrifying,
I'm trying hard to see this through,
Without the fear that I'll die soon.
I wont let it ruin the years that I have
I wont let it ruin...

Well I've forgotten what it feels like
To know you got it all to come.
So lets pretend,
So lets pretend.
That were young again.
That were young again.

Save your breath now.
Save your breath now.
Save your breath now.

Save your breath now.
