How much can you see from across the room?  
Switch off the lights to suit the mood.

This party is old now  
My attention along with all my hopes have wasted  
away.  
I'll watch you work this room, don't make a move too  
soon.

Let's go and save the night  
We can walk and talk forever  
I'll put the sparkle back in to your eyes  
Just not this time.

It's not fancy dress so stop trying to impress  
All the rest with all your fancy clothes.  
Your attitude's not welcome here, I don't think so.

Let's go and save the night  
We can walk and talk forever  
I'll put the sparkle back in to your eyes  
Just not this time.
