Do you see yourself in me?
Have I made you proud?
I'm still learning that everything comes around,
Nothing ever comes for free.
I'm trying hard and you need to believe,
You didn't bring me up to be a fool.

But still I wait,
Can I just say:

Hello, mother.
Hello, father.
Can you hear me?
Can you see me?
I'm trying to be better.
Is it working?
Am I ever going to make something of myself?
Put the past upon the shelf.
I'm looking for a place to start,
I'm just a young heart.

There's no regrets,
Just unwanted memories.
Can we please just forget what was said?
Shake my hand,
I'm with you till the end.

But still I wait,
Can I just say:
I can't make it on my own,
I need you by my side.

Hello, mother.
Hello, father.
Can you hear me?
Can you see me?
I'm trying to be better.
Is it working?
Am I ever going to make something of myself?
Put the past upon the shelf.
I'm looking for a place to start,

I'm just a young heart.
I'm just a young heart.

Sitting at the water's edge,
My reflection's not so clear,
I thought by now in my life I'd have overcome this fear.
Have I done right by you?
Have I done right by me?

Hello, mother.
Hello, father.
Can you hear me?
Can you see me?
I'm trying to be better.
Is it working?
Am I ever going to make something of myself?
Put the past upon the shelf.
I'm looking for a place to start,
I'm just a young heart.
I'm just a young heart.
I'm just a young heart.
