Spinning out of control
Like an animal Glaring teeth
pounding fists stop the pound of her heartbeat
The deadly rhythm
no cry for help could ever stop him
It happens every fucking day
This happens every fucking day
I can't believe
the air we breathe gives oxygen to him

watching skin and bone
come crashing down
onto the knife
I know that I don't
ever wanna know
how it feels to take a life

watching skin and bone
come crashing down
onto the knife
I know that I don't
ever wanna know
how it feels to take a life
