Sweet love, yeah

(Yeah)

I didn't mean it when I said

I didn't love you so

I should have held on tight

I never should have let you go

I didn't know nothing, I was stupid

I was foolish, I was lying to myself

I couldn't fathom that

I would ever be without your love

Never imagined I'd be sitting

Here beside myself 'cause I didn't know you

'Cause I didn't know me

But I thought I knew everything, I've never felt

The feeling that I'm feeling now that I

don't hear your voice

Or even touch and kiss your lips 'cause I don't
have a choice

Or what I wouldn't give to have you lying by my
side

Right here, 'cause baby

When you left I lost a part of me it's still so
hard to believe

Come back baby please 'cause we belong together

Who else am I gonna lean on when times get rough

Who's gonna talk to me on the phone till the
sun comes up

Who's gonna take your place there ain't
nobody better

Oh, baby, baby we belong together

I can't sleep at night

When you are on my mind

Bobby Womack's on the radio

Singing to me, 'cause if you think you're
lonely now

Wait a minute this is too deep

(Too deep)

I gotta change the station
So I turn the dial tryin' to catch a break
And then I hear Babyface
I only think of you, and it's
breakin' my heart
I'm tryin' to keep it together but
I'm falling apart

I'm feeling all out of my element throwing
things
Cryin' tryin' to figure out where the hell I went wrong
The pain reflected in this song
Ain't even half of what I'm feeling
inside
I need you, need you back in my life baby

When you left I lost a part of me it's still so hard to
believe
Come back baby please 'cause we belong together
Who else am I gonna lean on when times get rough
Who's gonna talk to me on the phone till the sun comes
up
Who's gonna take your place when there ain't nobody
better
Oh, baby, baby we belong together baby

When you left I lost a part of me it's still so
hard to believe
Come back baby please 'cause we belong together
Who am I gonna lean on when times get rough
Who's gonna talk to me till the sun comes up
Who's gonna take your place there
ain't nobody better
Oh, baby, baby we belong together
