All the past was the prologue,  
and heres the mainline,  
i think the chances are,  
very good,  
thats somewhere up ahead,  
in these unturned pages,  
im gonna find,  
a brief artical about you,

the lone ranger is busy,  
making breakfast ceral commericals,  
and superman is busy,  
making movies in tinsel town,  
you're on your own,  
dead on your own,  
but maybe thats okay,  
because maybe you know,  
what the answer is,

man propose in the moonlight,  
woman files in court,  
how in god's name did she,  
slip through your fingers,  
but your ship isnt gonna come in,  
cause theres no boats for nobody

the lone ranger is busy,  
making breakfast ceral commericals,  
and superman is busy,  
making movies in tinsel town,  
you're on your own,  
dead on your own,  
but maybe thats okay,  
because maybe you know,  
what the answer is,

heart first into the trail,  
in a broken town of broken hearts,  
and fucked up minds,  
love can always be found,  
in the rain of pain,  
it always seemed a good place to live

the lone ranger is busy,  
making breakfast cereal commercials,  
and superman is busy,  
making movies in tinsel town,  
you're on your own,  
dead on your own,  
but maybe that's okay,  
because maybe you know,  
what the answer is,

the lone ranger is busy,  
making breakfast cereal commercials,  
and superman is busy,  
making movies in tinsel town,  
you're on your own,  
dead on your own,  
but maybe that's okay,  
because maybe you know,  
what the answer is
