Visit "[A Moment Suspended](#)" on MotoLyrics.com

A moment suspended in time,
A memory faded like the old photographs,
Any sensation that was left inside,
Has gone now (has gone now),
Along with my love for you,

One Last, long kiss goodbye, (GoodBye)
And i will take the life out of you (out of you!!!!!!)
it seems this is the last goodbye (goodbye)
along with my love for you, (my love for YOU!!!!!!!!!!!!!!)

You act like a child,
that should be kept inside,
i was only along for the ride,
i wasnt really interested in you, (in YOU)
i know i'm not perfect,
i know i'm not perfect
i know i'm not perfect
BUT WHO IS!!!!!!!!!!!!!!!, But who is!!!!!!!!!!!!!!!

One Last, long kiss goodbye, (GoodBye)
And i will take the life out of you (out of you!!!!!!)
it seems this is the last goodbye (goodbye)
along with my love for you, (my life for YOU!!!!!!!!!!!!!!)

This plays a big part in us becoming we we are!!
(who we are!)
But do we really care?
I just want to ask you to
I just want to ask you to
please dont hate me (dont hate me!)
please dont hate me
please dont hate me
just dont hate me NOW!!!!!!!!!!!!!!!!!!!!!!!!!!!!

please forgive me, (forgive me please)
just remember,
the better times,
remember everything that we shared, (That we shared)
Everything we shared
