I love when you chase the one you love
You can look
But you can't touch
Tag you're it
(Tag you're it...)
I'm that hot bitch
In your wettest dream
The one you cover
In your whip cream
Don't you wish
(Don't you wish)
Don't you wish
That you can keep me forever
(Are you ready baby)
And you can dress me however
(Come and get it baby)

But first you gotta catch me if you can tonight
(Catch me if you can, alright alright)
If you really want me
You've got to show me
Do you really think that you can control me
Catch me if you can tonight
(Catch me if you can)

I'll break your heart
Like I break the lock
Too hot, I can't recall
If you love me at all
At first it was just a crush
You make me blush
It's obvious
So I'm waiting for you to call

So you can keep me forever
(Are you ready baby)
And you can dress me however
(Come and get it baby)

But first you gotta catch me if you can tonight
(Catch me if you can, alright alright)

If you really want me
You've got to show me
Do you really think that you can control me
Catch me if you can tonight
(Catch me if you can)

And now that I'm on to you
It doesn't matter if you win or lose
You gotta catch me if you can
Catch me if you can
Catch me
Catch me
Catch me
Catch me
Catch me
Tag you're it
Tag you're it

(You gotta)
You gotta catch me if you can tonight
Catch me if you can, alright, oh my
If you really want me
Then you've got to show me
Do you really think that you can control me
Catch me if you can tonight
Catch me if
Catch me if you can tonight
(Are you ready baby)
Catch me if you can, Tonight
(Come and get it baby...)
If you really want me, you've got to show me
Do you really think that you can control me
Catch me if you can tonight
Catch me if you can
