I scream your name
as you sing
what you do
i fall for you

i sing along
to all your songs
you on stage

you know i love it
now i gotta touch it
you know how much i love it
now i really want to touch it, so...

(Chorus)
after the show
no one will ever know
i want to touch your microphone

now that we're all alone
no one will ever know
i wanna touch your microphone

check check check 1 2
check check check 3 4
check check check 1 2
tell me that you want me more

Hold me tight
just for 1 night
don't take it slow
i won't say no

sing in my ear
your song i hear
i feel my fingers
getting near

you know i love it
now i gotta touch it
you know how much i love it

now i really want to touch it, so...

(Chorus)

after the show
no one will ever know
i want to touch your microphone

now that we're all alone
no one will ever know
i wanna touch your microphone

check check check 1 2
check check check 3 4
check check check 1 2
tell me that you want me more

check check check 1 2
check check check 3 4
check check check 1 2
