You're a painted whore, I can't lie
He walks in, you suck him dry
You're face is white, your neck is brown
Put more on you fucking clown

Give him a hug,
Shits on your sleeve
His quickies done, you're asked to leave
Draw on your brows with that black pen
He rates you one
He rates me ten

You piece of shit
Talk that crach and you'll get hit
Get him off with your tounge
Back down bitch
You're fucking done

You're just a slut, it's plain to see
As you're staring at him from your knees
Your task is donw, get outside
Back to your corner, You have no pride

Step off with all that hype
I'm only in it for play, oh
She's just an easy fuck
And what, that's good enough?

She spreads it, I extend it
Then send her on her way, oh
It's just simple girl
Ugh, I think I'm gonna hurl

Loose like a wizards sleeve
Can you say STD's?
She's a whore, I know you see
'Cause now you're looking right at me

Damn girl, you're looking fine
Damn boy, good pick up line
Common girl let's hit the floor
Huh right, go get your whore
